EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in Paper filed on 10/28/02 (Applicant elected without traverse).

The application has been amended as follows:

IN THE CLAIMS:

Cancel non-elected claims 14-20

REASONS FOR ALLOWANCE

2. The following is an examiner's statement of reasons for allowance: the prior art of record fails to disclose the combination of the process steps recited in the base claim, including the combination of the steps comprising: providing a first intermediate dielectric on the first metallization plane, the first intermediate dielectric containing a carbon-containing silicon oxide and having a first dielectric constant; providing a liner layer made of a dielectric material on the first intermediate dielectric, the liner comprising material selected from a group consisting of silicon dioxide and silicon nitride and having a second dielectric constant that is greater than the first

dielectric constant; patterning first and second interconnects in the second metallization plane for forming an interspace between the first and second interconnects; and completely interrupted the liner layer in the interspace between the first interconnect and the second interconnect such that the liner layer is removed everywhere that the second metallization plane is removed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Phat X. Cao whose telephone number is (571) 272-1703. The examiner can normally be reached on Monday - Thursday.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Wael Fahmy can be reached on (571) 272-1705. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
